VARIANCE TO INSTALL FLAG POLE

A flag pole may be installed on an owner's lot for the sole display of the American flag and/or a military flag, which are made of cloth or fabric and no larger than four (4) by six (6) feet in size. The flag pole shall be a single pole made of stainless steel, no higher than twenty (20) feet above ground, which is installed in a concrete base at least six (6) inches in diameter and extends at least three (3) feet below ground level. The finial shall be a globe, an eagle or plain.

The flag pole shall be erected in the rear or side area of an owner's lot.

I request a variance to install a flag pole on my lot at _____, and agree to comply with the requirements which are stated above.
